CHAIR'S REPORT

In my first year as Chair I have learnt that there are more aspects to the game than I originally realised. Like many people I had visibility over a small part of the game through coaching two groups of youngsters in the village where I live.

together, providing a structure that gives easy access to playing our wonderful game, starting at any age or at any level, whether the aspiration is for elite or recreational basketball.

Mini-Basketball session

Alan Mousley

After football and cricket, basketball is the third largest team sport in terms of participation and we should be proud of that and make sure that everyone knows this.

At times I felt that England Basketball should do more for me, which is what got me talking to people in the organisation, resulting in me becoming England Basketball's first Independent Chairman.

Over the past months I have discovered an enormous amount about the work done by England Basketball, the restrictions that come with targeted funding, the challenges of having national teams that sit outside the England Basketball framework and the short term targets that are imposed on us versus the long term objectives that would benefit the game more. The list is endless.

There is one recurring theme we need to start addressing sooner rather than later. Basketball is one of the biggest team sports in England and we need to start acting like that.

After football and cricket, basketball is the third largest team sport in terms of participation and we should be proud of that and make sure that everyone knows this. We need to stop people outside the sport talking about basketball "being quite small in England", or "being a young sport", or "being a sleeping giant".

Basketball is one of only a few sports that is currently growing and I am determined to push England Basketball to taking the lead in bringing all stakeholders in our sport

Of course there are areas where we can and will improve, but now I have a far better understanding of all the fantastic work that is being done by people throughout the game, including club volunteers, coaches, players, sponsors and the people within England Basketball.

Throughout this report you will find a lot more detail about what England Basketball has been involved in and what has been achieved. I will only pick up on one point and that is to say a massive thank you to Keith Mair who joined the organisation over a decade ago when England Basketball was in a very dark place. Keith has done a fantastic job turning England Basketball into a financially stable organisation, giving us a robust platform to launch the next phase in our strategy and putting basketball firmly among the big sports in England.

I look forward to meeting many more of you over the coming year.

Jan Hagen
Chair

CHIEF EXECUTIVE'S REPORT

YEAR ENDING 31 MAY 2013

The past year represents the fourth and final year of our four year (2009-13) plan and my tenth and final full year as your Chief Executive. Consequently it gives me considerable pleasure to report on a year in which we have continued to achieve success and/or growth, particularly in the following areas:

- **Developing 3-on-3 basketball**
- **Participation - affiliated / informal**
- **International performance and talent pathways**
- **Governance - restructuring the Board**
- **Club development**
- **School / college basketball**
- **Financial stability - return on investment**

3-on-3 Basketball

Half-court basketball has long been popular as a less formal indoor/outdoor format of the game suitable for people of all ages and abilities. It provides a basis for our highly successful *IM Basketball* and *Ball Again* participation programmes, while in recent years FIBA Europe and FIBA have promoted and invested heavily in the 3-on-3 version of the game.

Unquestionably a highlight of the year was our ability to make full use of the generosity and support of FIBA Europe in order to stage a wonderful two-day 3-on-3 event at Sheffield's Meadowhall Shopping Centre. The photos and notes in this report elaborate on the story and we sincerely thank FIBA Europe and their 3-on-3 Manager Robert Rieblinger for bringing their equipment all the way to Sheffield.

The FIBA 3x3 World Championships followed, each featuring 24 countries, with the England senior men's and women's teams finishing 11th and 14th and the U18 women's team making the quarter-finals before ending a highly creditable 7th place. FIBA will stage a 3x3 World Championship for U18 teams this year, for which the England U18 women's team has again qualified.

3-on-3 momentum has continued into the current year with four England Basketball FIBA 3x3 tournaments, three at universities in Worcester, Leeds and East London and one at the newly refurbished Ravenscourt Park courts in London. We sincerely thank the Outdoor Basketball Initiative for sponsoring the refurbishment as well as the tournament itself.

CHIEF EXECUTIVE'S REPORT

Participation:

Our 2012 Annual Report described the challenges faced by national sports organisations in the quest to increase participation and outlined our ongoing efforts to deal with these. It is therefore extremely satisfying to report that, unlike many other sports, our numbers stabilised, recovered and grew as a result of our initiatives and as the economy moves out of recession.

The work and research carried out by

Sam Spare and his team, especially Todd Cauthorn, has proved to be highly effective and the implementation of the *IM Basketball* and *Ball Again* programmes has been a resounding success. We are well positioned to capitalise on Sport England's revised focus from 16+ to 14+ participation over the next four years and will enable England Basketball to continue to increase participation. The numbers speak for themselves:

- Affiliated Participation** has increased by 13.6% (from 43,653 to 49,588) over the past year, growth over the four year term amounts to 46.5% (from 33,856), and over the past decade the increase is close to 250%! An examination of the figures illustrates the positive effect of the new programmes; however in some parts of the country the loss of a County Basketball Development Officer saw a decline in affiliations. The introduction of Basketball Participation Coordinators, focussed on *IM Basketball* and *Ball Again* and working with an expanded range of providers, will address the situation.
- Affiliated Coaches and Officials** have increased modestly in recent years while overall growth for the decade, combining accredited and affiliated coaches, referees and table officials, is well in excess of 600%. It is to the credit of development staff members Brian Aldred and Simon Unsworth that these numbers have continually grown.
- Active People Survey:** The national sport participation surveys, commissioned by Sport England for people aged 16 and older, clearly illustrates that we have been effective in stabilising and growing participation over the past six and a half years.

The national sport participation surveys, commissioned by Sport England for people aged 16 and older, clearly illustrates that we have been effective in stabilising and growing participation over the past six and a half years.

ACTIVE PEOPLE SURVEY

Estimated Weekly 16+ Participation - Team Sports

	AP1 (Oct 2006)	AP3 (Apr 2009)	AP5 (Apr 2011)	AP7 (Apr 2013)	% Change AP1 to AP7
1 Football	2,021,800	2,112,300	2,134,500	1,939,700	-4.1%
2 Cricket	195,200	205,900	196,500	189,400	-3.0%
3 Basketball	158,400	186,400	153,700	172,300	8.8%
4 Rugby Union	185,600	197,500	170,200	166,400	-10.3%
5 Netball	111,700	123,000	140,600	150,900	35.1%
6 Hockey	93,900	92,300	86,700	92,100	-1.9%
7 Rugby League	73,800	70,900	44,000	48,700	-33.9%
8 Volleyball	32,800	43,100	40,600	34,900	6.4%
9 Rounders	16,500	25,400	24,000	16,400	n/c

The initial and largest Active People Survey was for the year to 31 October 2006 and came before the disposable incomes of many families were detrimentally affected by the recessionary period from 2009 to 2012. Our own data demonstrated that this was a difficult time for many clubs and people from disadvantaged communities to maintain their participation in sport. The demand-supply equation for an indoor team sport suffers when costs and/or competitive demand increases. Both these factors have been in evidence in recent years and when combined with a period of pressure on personal and family incomes present a serious challenge to increasing participation in sport.

Basketball, netball and volleyball are the only team sports to have increased participation between October 2006 and April 2013. Other sports to show significant declines in participation in that period are gymnastics (-16.6%), squash (-14%), golf (-13.1%), swimming (-11.7%), rowing (-8.9%), tennis (-7.2%) and badminton (-3.4%).

CHIEF EXECUTIVE'S REPORT

The performance / talent pathway now in place is a world class structure to be proud of that will assuredly produce continuing success and constantly improved international results.

The independent directors bring with them objectivity and an overall vision of basketball in England that people with a vested or conflict of interest are often unable to do.

International Performance and Pathways:

London's Olympics were an undoubted highlight for basketball in England, with the on-court performances of the British teams a credit to those responsible since the formation of the British Basketball Federation in November 2005. The performance / talent pathway now in place is a world class structure to be proud of that will assuredly produce continuing success and ever-improving international results.

The steady improvement in the results of England's age-group teams in European competition continued in 2012 with the U18 men's and women's teams emulating the history making double success of the U16 girls' and boys' teams in 2011 by winning promotion, for the first time ever, to the A Division. My sincere congratulations go to Head Coaches Steve Bucknall (U18 men) and Len Busch (U18 women), along with their players and staff members.

The achievement of these four teams, along with the British U20 teams (women in 2010 and recently, in July, the men) in reaching European A Division status is exceptional when reviewed in the context of past performances. As we went to print with this report, in late July, the U18 men's team had just created their own piece of history by becoming the first England team to retain A Division status, with wins over Spain, Italy, Ukraine and the Czech Republic, to finish in 9th place. The wins and the placing represent further progress,

outstanding performances and an incredible result, again from Steve Bucknall and his team. The next big challenge for England U16 and U18 teams is to achieve a top five place in Europe and qualification for a World Championship at U17 or U19 level.

The England Basketball performance pathway currently starts at Regional (formerly Area) Performance Centres (20) for boys and girls, progresses through Regional Development Tournaments for U13, U15 and U17 girls' and boys', national club, school and college competitions, the Advanced Apprenticeship in Sporting Excellence (AASE) and national teams / squads for each year from U15 to U18, and culminates with British U20 and senior teams.

Success hasn't come quickly or easily. Much of the current structure was initiated when Radmila Turner began with us as our first Performance Manager in 2004. Since then Radmila's initiatives have been steadily developed, in recent years by current Performance Manager Martin Bland, British Performance Basketball staff members and directors, and, most important of all, the large number of volunteer coaches and managers. The AASE programme, introduced in 2009 and under Charlie Ford's watchful guidance, has also played its part; the current England U18 teams contain 17 AASE students while the British U20 teams contained 10 AASE graduates / students.

Governance – Restructuring the Board:

Responding to the recommendations of a Board commissioned independent review, and the requirements of Sport England, the 2012 Annual General Meeting approved changes to the Memorandum and Articles of Association that brought England Basketball in line with modern principles for good governance.

Following the AGM an open recruitment process was followed to enable the appointment of an independent Chair and three other independent directors. As a result we acquired six new board members, two

newly elected and four independent and appointed, with a "range and balance of skills, knowledge, equality and diversity to fulfil and discharge their responsibilities".

The changes to the composition of the Board have been refreshing in that the independent directors bring with them objectivity and an overall vision of basketball in England that people with a vested or conflict of interest are often unable to do. Details of the Board changes may be found on page 30 of this report.

Our Vision And Priorities

ENGLAND BASKETBALL'S VISION IS TO PROVIDE **BASKETBALL FOR ALL**.

Our vision touches on each of our core activities as a governing body, which are summarised in the organisation's **mission** to:

- *Encourage and enable people to participate in basketball regardless of their ability, age, gender, status, disability or ethnic background.*
- *Enhance the performance and quality of basketball throughout England.*

ENGLAND BASKETBALL'S PRIORITIES ARE DIRECTLY RELATED TO THIS VISION:

1) TO CREATE AND MAINTAIN A CULTURE OF FREQUENT, CONSISTENT AND CONTINUED PARTICIPATION.

2) TO PROVIDE A CLEARLY DEFINED TALENT DEVELOPMENT PATHWAY FROM THE GRASSROOTS THROUGH TO WORLD-CLASS PERFORMANCE.

These priorities are to be accomplished by achieving the following measures of success:

- *Increasing participation as measured by Sport England's Active People Survey.*
- *Increasing our activity in the education sector (secondary and tertiary) through IM Basketball.*
- *Improving transition from school to club through the creation of basketball satellite clubs in secondary schools together with an increase in the number, size and quality of Sport England – England Basketball Clubmark accredited clubs.*
- *Increasing the number of adults playing basketball consistently on an informal and formal basis through Ball Again.*
- *Increasing the number of specialist basketball facilities and continuing to work towards clubs and players obtaining affordable or free access to basketball facilities.*
- *Developing appropriate local delivery chains by commissioning relevant partners to deliver participation programmes.*
- *Offering an excellent customer experience through a workforce, both professional and voluntary, appropriate in number, location and quality.*
- *Developing and enhancing an environment that recognises, retains and rewards volunteers aligned to affiliated organisations.*
- *Maintaining and improving the national competition structures for clubs and schools.*

Club Development:

The last four years have seen continued growth in participation within affiliated clubs and we have exceeded the targets for the number of *Clubmark* accredited clubs (133) and the number of young people within these clubs (over 16,000). Under the leadership of Matt Baird the *Premier League 4 Sport* programme has engaged over 1,600 young people in new satellite clubs over the past eighteen months, a figure which almost doubles the target of 900.

Healthy clubs combined with good school-club links are vital for further growth and development. The implementation of the Satellite Club programme, driven by the positive experience obtained from the *Premier League 4 Sport* programme, puts England Basketball in a strong position for the four years from 2013 to 2017.

CHIEF EXECUTIVE'S REPORT

* England Basketball Reserves Policy:

To achieve and maintain a level of reserves equivalent to one year's operating costs in order to be able to withstand any significant reduction in income.

* England Basketball Investments Policy:

All surplus cash to be invested in bank deposits throughout the year. This is a minimal risk investment and is not linked to stocks and shares.

School / College Basketball:

In 2009 we took over the management of the National Schools Competitions and year on year have added to the age-groups on offer. The competitions have grown dramatically to meet the high levels of demand for school basketball and now cover every age group from U13 through to U19 with a number of age groups offering two levels of competition (Premier or Conference). The number of schools participating continues to increase and at present we are ahead of last year's entries for the upcoming season.

Financial Stability – Return on Investment:

The accounts for the year to 31 May 2013 reflect an organisation in a strong and stable financial position. In addition the employment of effective cost controls and financial policies and procedures ensures that we effectively utilise our income. This effective use of public funding shows England Basketball to provide a return on investment that few, if any, sports can match. Return on investment comparisons can be made based on Active People Survey participation numbers and/or funding for facilities.

Our 2009-13 capital funding for facilities saw £1.6m invested in four projects, East London, Leeds, Worcester and Manchester. Thirteen basketball courts were built as a result, providing excellent value for the money,

especially as the investment attracted £38m in partnership funding and delivered more than 130,000 dedicated court hours for our club, participation and performance programmes.

Conclusion:

The contents of this Annual Report reflect a lengthy period of stability, growth and achievement for England Basketball. The credit for this can largely be attributed to an able, innovative and industrious staff team who have proved to be loyal and dedicated to the organisation and the Board. Working with the expanded Board, containing several new members possessing a wide array of skills and expertise, will ensure a positive long term future for basketball in England. A further plus for the organisation has been the acquisition of an Independent Chairman. Jan Hagen has demonstrated honest and open leadership, a willingness to learn and a level of common sense and integrity that has been most welcome, and that should serve England Basketball well.

CLUB DEVELOPMENT

Eighteen months since its establishment, our partnership with the Premier League 4 Sport Programme continues to deliver increases in the number of young people taking up basketball.

CLUB DEVELOPMENT

England Basketball accredited clubs continue to play a pivotal role in growing and sustaining the sport locally.

This year has seen growth in both the number of accredited clubs and young people within those clubs. It has been positive to see so many clubs embracing our participation programmes *IM Basketball* and *Ball Again* to increase participation by offering activity to new groups of people.

The growth in participation amongst some of our larger clubs attests to the continued demand for the sport. Both Newcastle Eagles and Leicester Riders have recorded affiliated membership totals in excess of 1500, reflecting an ongoing commitment to develop basketball in the community.

We have continued to support clubs to access funding to deliver local activity and projects. Basketball is now the second most successful sport in securing Sportivate funding and third for Sport England Small Grants funding, figures which evidence the significant need for funding at the participation end of the sport.

The development of high quality links with schools remains priority area for club development. Programmes such as *Premier League 4 Sport* have provided us with valuable insight as to how the number and effectiveness of school-club links can continue to improve.

Ashley Donelson

PL4S National Competition 2013

Premier League 4 Sport - Satellite Club development

Eighteen months since its establishment, our partnership with the *Premier League 4 Sport* Programme, which involves creating partnerships between Premier League Football Clubs and our accredited hub clubs to develop a new satellite basketball club network, continues to deliver increases in the number of young people taking up basketball and making the transition from school to club.

PL4S - Facts and figures

- 10 football clubs working with Sport England – England Basketball Clubmark accredited basketball clubs
- 36 new satellite clubs established (20 of which are new for this year)
- 1600 young people attended satellite clubs so far, with over 1200 new participants for this year. We have exceeded our yearly target by over 50%.
- Increase of 10% in girls basketball participation within satellite clubs
- 65% of young people retained in satellite clubs (attending 70% of club sessions throughout the year).
- Increasing number of satellite club participants joining the hub basketball club

PARTICIPATION PROGRAMME INITIATIVES

IM BASKETBALL AND BALL AGAIN

Over the past twelve months, England Basketball has utilised *IM Basketball* and *Ball Again* to provide more informal, weekly opportunities for those over the age of fifteen to play basketball. Integrated into the delivery of an increasing number of affiliated organisations, leisure operators and educational institutions, as well as being the key foci for our own development staff, we are pleased to be able to report that both programmes are flourishing.

IM Basketball

England Basketball provided seed funding, to selected applicant organisations, to start and maintain *IM Basketball* throughout the academic year. Growing numbers of educational institutions (schools, colleges and universities) are reporting high levels of participation as a result. Created according to our understanding of the basketball market, *IM Basketball* is constantly reviewed and improved to ensure that it continues to attract young (14-25) participants within education. Estimated participation generated by the programme's first full year of delivery starts at 8,000.

Ball Again

Ball Again continues to appeal to adults (16+ and not in education) who wish to re-engage with the sport, as well as those trying basketball for the first time. Funded by England Basketball and delivered by a *Ball Again* PlayMaker with the emphasis firmly on fun and fitness, the programme continues to be successfully adopted by a broad range of groups and organisations. An estimated 1,700 participants took part in *Ball Again* sessions during the season.

*Over the past twelve months, England Basketball utilised **IM Basketball** and **Ball Again** to provide more informal, weekly opportunities for those over the age of fifteen to play basketball.*

SHEFFIELD 3 ON 3 TOURNAMENT

SHEFFIELD 3 ON 3 TOUR

England Basketball Hosts Record-Breaking 3 on 3 Tournament at Meadowhall Shopping Centre

It was a weekend that started with some of the worst weather conditions imaginable but ended as one of England Basketball's most successful events.

New FIBA Europe records were set at the 3 on 3 Tournament held on the grounds of Meadowhall Shopping Centre's Car Park on 7-8 July in Sheffield. 197 teams took part in 371 games over two days, figures that eclipsed all other 3 on 3 events held by FIBA Europe during the summer of 2012.

This success followed months of planning and a set-up day in horrible weather. The event appeared to be in jeopardy the day before it started, as the set-up crew of England Basketball office staff and FIBA Europe representatives worked a 12-hour marathon in torrential rain that saw a near collapse of the River Don's banks. However, the weather began to improve late on Friday evening and

by Saturday morning the sun was shining.

Apart from a short intermission on 7 July due to another downpour, a superb weekend of music, dancers, prize giveaways and 3 on 3 basketball saw an incredible event draw to a close on Sunday evening after capturing the imagination of hundreds of participants and a good number of passing Meadowhall shoppers.

Special thanks and appreciation goes to FIBA Europe for initiating, in 2011 their support for such events with the provision of portable courts, equipment and apparel. Extra thanks go to FIBA Europe's staff and drivers (who transported the courts and equipment in the huge trucks covered by the colourful logos of FIBA Europe). The event could never have been staged in Sheffield without the constant support, leadership and guidance of FIBA Europe's 3 on 3 manager,

Set-up day at the 2012 Sheffield 3 on 3 Tournament

SHEFFIELD 3 ON 3 TOURNAMENT

TOURNAMENT, 7-8 JULY 2012

Robert Rieblinger, and his crew members, Elisabeth Cebrian and Felix Förster, plus the truck drivers Frank Stelter and Gerhard Neef.

England Basketball Chief Executive Keith Mair felt that it was the most entertaining, inclusive and enjoyable basketball event he had participated in during his time in the position.

He said:

“It was a wonderful experience and fantastic to see so many basketball people, with a wide range of backgrounds, ages and ethnicities, in one place and enjoying themselves throughout the two days. Our entire staff team, with the event planned and led outstandingly by Graham Blankley and Todd Cauthorn, performed well beyond what should ever be expected of them over three long days, especially throughout what was for many a 12-hour marathon setting up the courts in the horrible Friday weather. There were brilliant contributions too from those who made the event buzz throughout the

two days - the constant music and patter of the Funky Town Entertainers, the polished dancers from rugby league’s Castleford Tigers Claws and Wakefield Wildcats Dolls, the quality of the army of officials in attendance and last, but certainly not least, the large number of volunteers who assisted in so many different ways. It is sincerely hoped that the inspiration for this event, instigated by FIBA Europe and its 3 on 3 manager Robert Rieblinger, leads to similar activities throughout England that provide regular, enjoyable and informal opportunities to play basketball.”

Over the next two pages we have included a selection of photos and a list of winners from the 2012 Sheffield 3 on 3 Tournament.

Thanks to Elisabeth ‘Betty’ Cebrian and Robert Rieblinger from FIBA Europe for helping to make the Sheffield 3 on 3 a reality.

VOLUNTEER AWARDS 2012

The Annual Volunteer Awards Function was held for the seventh time on Saturday 15 September 2012 at the National Motorcycle Museum near Birmingham.

The event provides an opportunity to honour and recognise those people who volunteer their services on a local, regional and national scale throughout England.

The full list of Awards Finalists as well as the 2012 Winners are outlined here.

Harry Errington Award
Volunteer Administrator of the Year

IAN LLOYD (Padgate)
Presented by Anne Baverstock, Brighton Phoenix

Ian's work with his local club has seen it with no less than nine teams for the upcoming season. "The club has grown in the last 12 months in no small part due to Ian's commitment, management and persistence in supporting and developing our members. The Year 10 and 11 players are committed to developing the younger players, mirroring Ian's dedication and passion for the club."

KK Mitchell Award
Volunteer Official of the Year

MARILYN WARD (Brightlingsea Sledgehammers)
Presented by Grace Jacca, England Basketball Board

Marilyn has been a table official for nearly 40 years having entered the sport through meeting her now husband (pictured) George. She is still a very active official and dedicates a lot of her time to mentor up and coming table officials in the Essex and Suffolk area.

Pete Jacques Award
Volunteer Court Announcer of the Year

NIGEL CASH and STEVE WILLIAMS (England Basketball)
Presented by Pauline Jacques

Nigel and Steve are regular volunteers at major England Basketball events with Steve organising the music and Nigel announcing the games. Having met through basketball in Derby, the pair took up the challenge of announcing games at Moorways and their professional and skilful approach has seen them recognised by being asked to contribute at many events.

Brian Dobson Award
Volunteer Team Manager of the Year

KAREN PERRIER (Brighton Cougars)
Presented by Emily Clarke, team manager England U18 Men

As well as her club duties, Karen is also team manager for the South East Regional U13 Boys team and was praised in her nomination for the quality of the work that she does in those roles. "Karen personifies the volunteer ethic at its highest standard. She is a leader and a worker, wanting the best for young people and going beyond expectations to make it happen."

VOLUNTEER AWARDS 2012

Young Volunteer of the Year

AMY LINTON (Ipswich)
Presented by Sadie Mason, team manager England U18 Women

As well as still playing for Ipswich, Amy has helped coach the East U13 girls' team, her school's team and the club's community sessions and was one of the attendees of the inaugural England Basketball Young Coach Academy. "I cannot think there will be many young people that have volunteered across such a broad spectrum within basketball, across coaching, refereeing and officiating. She has helped local primary school children, through to local sixth form/college students up to parent participation coaching and officiating."

Young Volunteer Coach of the Year

JAKE CHIDGEY (Bridgwater Buccaneers)
Presented by Matt Newby, team leader England 3x3 Men

As well as coaching the junior members of the club, Jake is also a major member of the club's committee, with his energy and enthusiasm helping to drive the club forward. His nominator was keen to point out that he wasn't nominated for his natural ability to relate with the players or for his can do attitude or for his skill in coaching the young players. He was nominated for his ability to build on the players' confidence and self esteem and for his infectious passion and enthusiasm for the game.

Club Volunteer of the Year

STEVE BRAKER (Nottingham Hoods)
Presented by Ken Charles, President Emeritus England Basketball

As well as being team manager for the senior team, Steve also organises fund raising events, referees, produces programmes and does 'stats'. "Steve works tirelessly supporting the club in his duties. Without Steve we would struggle to provide the team with support."

Volunteer Family of the Year

THE LAMBROS FAMILY (Kingston Wildcats)
Presented by David Meli, Sport England

Andy and Claire Lambros have six children but still manage to be heavily involved in basketball. Four of the children play and are also officials - either refereeing or on the table. Last season Andy took the lead in organising Surrey girls' training at U13, U15 and U17 levels and also a Surrey County Cup for girls' teams, with the remainder of the family playing, officiating or being the official photographer.

FULL LIST OF FINALISTS - 2012 ENGLAND BASKETBALL VOLUNTEER AWARDS

Nominee and Nominating Club (if applicable)

Anne Baverstock (Brighton Phoenix)
Steve Braker (Nottingham Hoods)
Nigel Cash (England Basketball)
Jake Chidgey (Bridgwater Buccaneers)
Chris Giles (Guildford Heat)
Brad Hampson (Space Invaders)
Rida Iqbal (Northants)
Lambros Family (Kingston Wildcats)
CJ Lee (Solent Suns)
Amy Linton (Ipswich)
Ian Lloyd (Padgate)
Karen Perrier (Brighton Cougars)
Marilyn Ward (Brightlingsea Sledgehammers)

KK Mitchell Award

Volunteer Coach of the Year

Kelvin Facey (Newham All Star Sports Academy) was presented with the *John Sage Award* (Volunteer Coach of the Year) but was unable to attend the event in September. He was presented with the award by Mr Humphrey Long (see below) at the U15 and U13 Final Fours held in London.

England Basketball League Sponsorship

In October 2012 England Basketball announced a one-year naming rights partnership with used car sales specialists, VCARS.co.uk. Under the new contract with England Basketball, VCARS.co.uk adopted the naming rights for England Basketball's seven men's divisions and four women's divisions.

Specialist sports insurance brokers, Sportscover, sponsored major events run by England Basketball for the fifth consecutive year.

In 2008 Sportscover started their involvement with England Basketball by sponsoring the Final Fours senior playoffs. The following five years saw them act as major sponsors for the Men's and Women's National Cup Finals. Sponsorship was also received for

this year's Finals from Sheffield City Council and Spinnaker Print Limited.

Manchester City Council continued their financial support with sponsorship of the EBL Senior Final Fours, held again at the Amaechi Basketball Centre in April 2013.

Both Sportscover and Manchester City Council have agreed to continue their sponsorship of these England Basketball events.

Ransome Sporting Goods have also continued their valued support of England Basketball, providing Baden match balls to all teams as well as sponsoring the Sureshot National Cup competitions for U18 and U16 leagues.

SCHOOLS COMPETITIONS

Holy Trinity School plays St Cuthbert's High School in the U15 Boys' Conference semi finals

Alan Mousley

DYNAMIK
Sport Surfaces

In May 2013 58 schools teams played 58 games in five days.

DYNAMIK NATIONAL SCHOOLS COMPETITIONS

The Dynamik National Schools competitions expanded last season to include U13 boys and girls as well as a premier division for U19 women. This increase now sees schools basketball being played nationally at every age group and gender.

In May 2013, 58 schools teams played 58 games in five days across three events, making it one of the biggest spectacles in the England Basketball calendar. The majority of these games were played at Nottingham Wildcats Arena where there was a Final

Fours competition on consecutive weekends (11/12 and 18/19 May) and on 15 May, Fenton Manor in Staffordshire hosted finals for U19 men's and women's premier. The University of East London also held three individual National Schools Finals for U17 girls and boys and U18 girls on 6 April.

Outlined below are the final placings of all age group categories this past season for the Dynamik National Schools Championships.

St Martin's School plays Aylesbury High School in U13 Girls semi finals

Finished 7th

Regional Development Tournaments

The Regional Development Tournaments (RDT) are an established part of the basketball calendar and assist in the talent identification process, expanding the performance pathway for young players.

The six RDTs were claimed by three regions last year with London, East and North West winning two titles each in 2012.

An early step in the Performance Pathway, the RDTs are also an opportunity for coaches to be observed and offered feedback through in-tournament assessment by members of our talent development staff. Six coaches were nominated as 'All England Regional Coaches' and two received the 'Chris Morgan Bursary Annual Basketball Coaching Award' supported by the English Schools Basketball Association.

The 2012 Fox40 All England Regional Coach Award winners were:

U17 Girls: **Dan Seaman** (East)
 U17 Boys: **Marc Steutel** (North East)
 U15 Girls: **Tracie Colbron** (South West)
 U15 Boys: **Kevin Treagus** (South East)
 U13 Girls: **Nick Ibberson** (North West)
 U13 Boys: **Adam Davies** (East)

Marc Steutel and Tracie Colbron were the selected recipients of the Chris Morgan Bursary.

Nick Ibberson presents Tracie Colbron with Chris Morgan Bursary Award

GREAT BRITAIN BASKETBALL

Great Britain's Women celebrate during 2012 Olympic Games

Great Britain Senior Men and Senior Women 2012 Olympic Games, London

For the first time since 1948 Great Britain fielded basketball teams at an Olympic Games when the Senior Men and Senior Women received automatic qualification for London 2012.

Although neither team advanced past the group stage of the 2012 Olympic Games, they competed admirably and showed the sporting world how far British basketball has developed in recent years. The Men and Women nearly upset eventual Silver Medallists in their competition during group play. The Men were defeated by Spain 79-78 and the Women lost an overtime game to France 80-77 after Celine Dumerc hit two dramatic three point shots.

Great Britain Under 20 Men and Under 20 Women 2012 European Championships

Great Britain's U20 Women spent the 2011 and 2012 European Championships in Division A but after a winless campaign last summer, they were relegated back to Division B. Despite this the Women held their own in 2012, losing by an average of only 14 points per game in Europe's top U20 competition.

The U20 Men started their European Championship in spectacular fashion, winning three straight and their final 4-4 record saw them finish a very respectable sixth place.

English Basketball Association

(A company limited by guarantee)

Directors' Report And Financial Statements for the year ended 31 May 2013

DIRECTORS' REPORT

The directors (Executive Board) present their report and the financial statements for the year ended 31 May 2013.

The income and expenditure account is set out on page 32 and shows the surplus for the year.

Principal activities

The principal activity of the association is to act as the governing body for the sport of basketball in England.

Directors

The following directors have held office since 1 June 2012:

J C Hagen (Chair) (Appointed 6 November 2012)
T M Donovan
K Hibbs (Retired 15 September 2012)
J Jones

R Boomgaardt (Appointed 6 November 2012)

Auditors

In accordance with the Company's Articles a resolution proposing that Hart Shaw LLP be re-appointed will be put to the Annual General Meeting.

Statement of directors' responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the income and expenditure of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;

- make judgements and accounting estimates that are reasonable and prudent;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditors

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

By order of the board

K Mair
Secretary

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ENGLISH BASKETBALL ASSOCIATION

We have audited the financial statements of English Basketball Association for the year ended 31 May 2013 set out on pages 32 to 33. The financial reporting framework that has been applied in their preparation is applicable law and the Financial Reporting Standard for Smaller Entities (effective April 2008) (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 30, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Directors' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 May 2013 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- *adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or*
- *the financial statements are not in agreement with the accounting records and returns; or*
- *certain disclosures of directors' remuneration specified by law are not made; or*
- *we have not received all the information and explanations we require for our audit; or*
- *the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the directors' report.*

NOTES TO THE FINANCIAL STATEMENTS

English Basketball Association

Notes to the Financial Statements for the year ended 31 May 2013

1 ACCOUNTING POLICIES

1.1 ACCOUNTING CONVENTION

The financial statements are prepared under the historical cost convention as modified by the revaluation of certain tangible plant and machinery, and in accordance with applicable standards.

The company has taken advantage of the exemptions available in the Companies Act 2006 not to adopt the headings otherwise required by the act, as the special nature of the company's business requires such adaptation.

1.2 INCOME

Income represents amounts receivable for goods and services net of VAT and trade discounts.

Revenue grants are recognised in the period to which they relate except for specific project grants which are only recognised in the period received to the extent that related expenditure has been incurred.

1.3 TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Computer equipment	33% straight line
Fixtures, fittings & equipment	20% straight line
Trophies	Not depreciated

The estimated useful life of trophies exceeds 50 years. No depreciation has been charged on the trophies as the directors consider that any charge and accumulated depreciation would not be material. In accordance with Financial Reporting Standard No.11 an impairment review is performed on the trophies if events or circumstances indicate that the carrying value may not be recoverable.

1.4 LEASING

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

1.5 PENSIONS

The pension costs charged in the financial statements represent the contributions payable by the company during the year.

1.6 DEFERRED TAXATION

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. A deferred tax asset is recognised where it is considered more likely than not that there will be sufficient taxable profits against which to offset brought forward tax losses.

1.7 GRANTS

Grants received in respect of capital expenditure are credited to deferred income and recognised in the profit and loss account over the useful economic life of the asset.

1.8 VAT

The Association is partially exempt and a special method for calculating re-claimable input VAT has been agreed with H M Revenue & Customs.

NOTES TO THE FINANCIAL STATEMENTS

2 INCOME

The income of the company for the year has been derived from its principle activity wholly undertaken in the UK.

3 SURPLUS BEFORE TAXATION	2013	2012
	£	£
Surplus is stated after charging:		
Depreciation of tangible assets	17,984	18,396
Auditors' remuneration	6,000	6,000
Directors' remuneration	7,000	-
Hire of plant and machinery - operating leases	13,448	17,691
Hire of other assets - operating leases	34,000	34,000
	<hr/>	<hr/>

4 TAXATION

There is no tax provision included in the accounts on the basis of the results this year.

5 TANGIBLE FIXED ASSETS

	Plant & Machinery £
Cost:	
At 1 June 2012	169,525
Additions	8,052
At 31 May 2013	<hr/> <u>177,577</u>
Depreciation:	
At 1 June 2012	144,156
Charge for the year	17,984
At 31 May 2013	<hr/> <u>162,140</u>
Net book value:	
At 31 May 2013	<hr/> <u>15,437</u>
At 31 May 2012	<hr/> <u>25,369</u>

The trophies were valued by an external valuer, Peter Russell, at replacement cost as at 31 May 1998. This valuation of £100 has been retained in the accounts. The historic cost of these trophies was £16,441.

NOTES TO THE FINANCIAL STATEMENTS

6	DEBTORS	2013	2012
		£	£
	Trade debtors	53,251	73,093
	Other debtors	31,818	115,921
		<u>85,069</u>	<u>189,014</u>

	Trade creditors	154,068	81,058
	Taxation and social security	1,112	20,319
	Other creditors	1,090,784	1,275,532
		<u>1,245,964</u>	<u>1,376,909</u>

8 PROVISIONS FOR LIABILITIES

In accordance with the accounting policy no provision for deferred tax assets has been made in respect of accelerated capital allowances, or tax losses as their future crystallisation value is not certain.

The approximate amounts not provided at a tax rate of 20% (2012: 20%) are £11,300 (2012: £12,300) and £290,800 (2012: £281,000) respectively.

9 PENSION COSTS

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge represents contributions payable by the company to the fund and amounted to £737 (2012: £787) for the year.

10	STATEMENT OF MOVEMENTS ON GENERAL FUND	2013
		£
	Balance at 1 June 2012	816,990
	Surplus for year	116,114
	Balance at 31 May 2013	<u>933,104</u>

11 FINANCIAL COMMITMENTS

At 31 May 2013 the company was committed to making the following payments under non-cancellable operating leases in the year to 31 May 2014:

	2013	2012
	£	£
Operating leases which expire:		
Within one year	34,557	10,041
Between two and five years	5,677	40,792
	<u>40,234</u>	<u>50,833</u>

12 CONTROL

There is no ultimate controlling party.
